Tinig ng Pag-asa	Voice of Hope
1 Masdan niyo kung kayo'y may panahon Mga katulad kong kung saan-saan naroroon Naliligaw, Iniiwan Nagkakalat sa lansangan Wala nang magandang natututunan	1 Take a look, if you have time to spare You'll see people like me everywhere Lost or left behind Roaming the streets With nothing good to learn
CHORUS Ang kabataan ang lakas ng bayan Pilipinong di dapat pinababayaan Ituro niyo sa akin kung ano ang dapat kong gawin Ako'y inyong akayin sa landas na dapat piliin	CHORUS The youth are the nation's strength We're Filipinos who shouldn't be neglected Teach me what I should do Guide me towards the right path
Hwag hayaang maligaw Kailangan ng gabay gabi at araw Ang bukas ko'y nasa kamay ninyo Hindi ba?	Don't let me go astray I need your guidance day and night My future is in your hands, Is it not?
2 Mahirap man o mayaman Di alam kung saan nagtungo ang magulang Nakababad sa kung ano man ang pinaglilibangan Walang sumasaway dahil bata pa naman	2 Rich or poor alike We don't know where our parents are Too absorbed in things that pass the time With no one to tell us no because we're still young
CHORUS	CHORUS
3 Kami ang tagapamana ng hinaharap Kay taas at kay ganda ng mga pangarap Para sa ating bansa, ngunit saan magsisimula? Ngayon kailangan ang inyong pagkalinga	3 We are the heirs to the future With big and beautiful dreams for our country, but where should we even start? We need your protection now
CHORUS CODA	CHORUS CODA
Kami ang yaman at lakas ng bayan Ang batang Pilipino, huwag dapat pabayaan	We are the wealth and strength of our nation Don't abandon the Filipino youth
